#### FY03/26 Q1 Consolidated Financial Results Highlights

The first quarter progressed in line with the full-year plan against the Forecast.

Mainly in the Education business, performance is planned to grow from the second quarter onward, and we expect to achieve results in line with the earnings forecast.

This fiscal year, we will record an operating loss, primarily due to not expecting large sales of securities in the Investment business. From the next fiscal year onward, we aim to be in a state where all business segments can generate profits through the growth of the Education and Personnel Matching businesses.

#### Regarding the Dissolution of the Parent-Subsidiary Listing

To resolve concerns about potential conflicts of interest between the parent company and minority shareholders associated with the parent-subsidiary listing relationship and to enhance corporate value, the Company dissolved the parent-subsidiary listing with Hakuhodo DY Holdings Inc., the parent company of our lead shareholder Hakuhodo DY ONE Inc. (HDY ONE), on May 30.

On the other hand, in some businesses, we will strengthen collaboration with HDY ONE and Hakuhodo DY Holdings Inc. more than ever before.

Improved Management Independence by Dissolving the Parent-Subsidiary Listing

**Strengthening Business Collaboration** 

- 1 Acquired 1.93 million shares of our common stock held by HDY ONE as treasury stock (May 30). HDY ONE's voting rights ratio after acquisition is 49.5%.
- 2 Dissolved the Capital and Business Alliance Agreement\* concluded between our company and HDY ONE.

# Investment

#### **Investment Business: Sales and Operating Profit Trend**

While large sales of securities were executed in the previous fiscal year, no large sales are expected at this time in the current fiscal year, resulting in a sales and profit declined compared to the same quarter of the previous year. Due to the nature of the business, performance volatility increases depending on the timing of securities sales, but we aim to continuously generate a certain level of profit or more by expanding the number and investment amount.

#### At end-June 2025, we held unlisted shares in 135 companies with a market value of ¥7.6 billion.

# Education

Sales increased YoY due to the consolidation of Bestco Co., Ltd.\*.

Bestco Co., Ltd.'s sales are seasonal, with Q1 sales being lower than Q2 and subsequent quarters, resulting in an operating loss.

In addition, we increased our workforce to strengthen digital utilization.

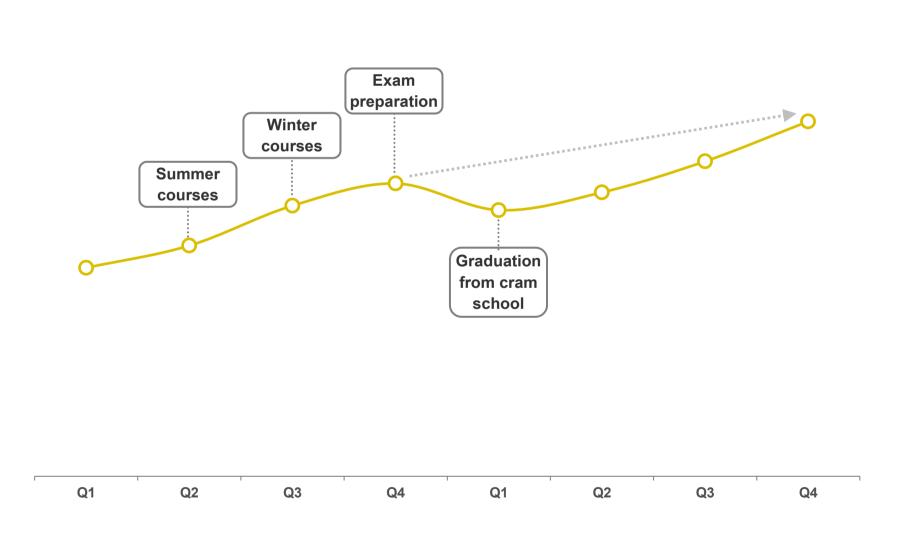

<sup>\*</sup>Consolidation started at end-December 2024.

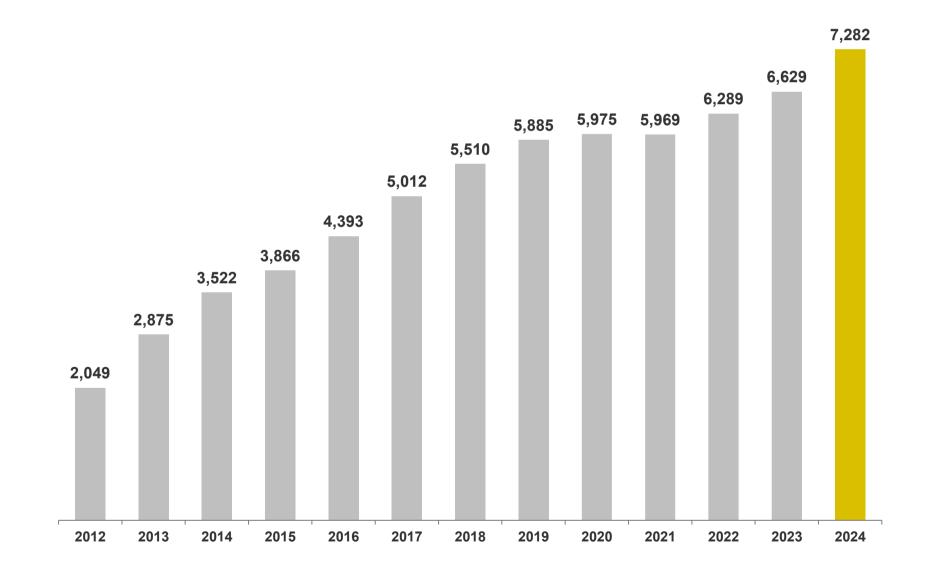

#### **Education Business (Bestco Co., Ltd.): Trend in Number of Students**

The number of students fluctuates quarterly due to seasonality, but is continuously expanding.

Trend in number of students over one year

In Q1, a total of 6 new classrooms were opened in the Tohoku/North Kanto and Chugoku/Shikoku areas. We plan to open a similar number of classrooms in Q4 of this fiscal year and to accelerate and expand openings from the next fiscal year onward.

Policy for opening new classrooms

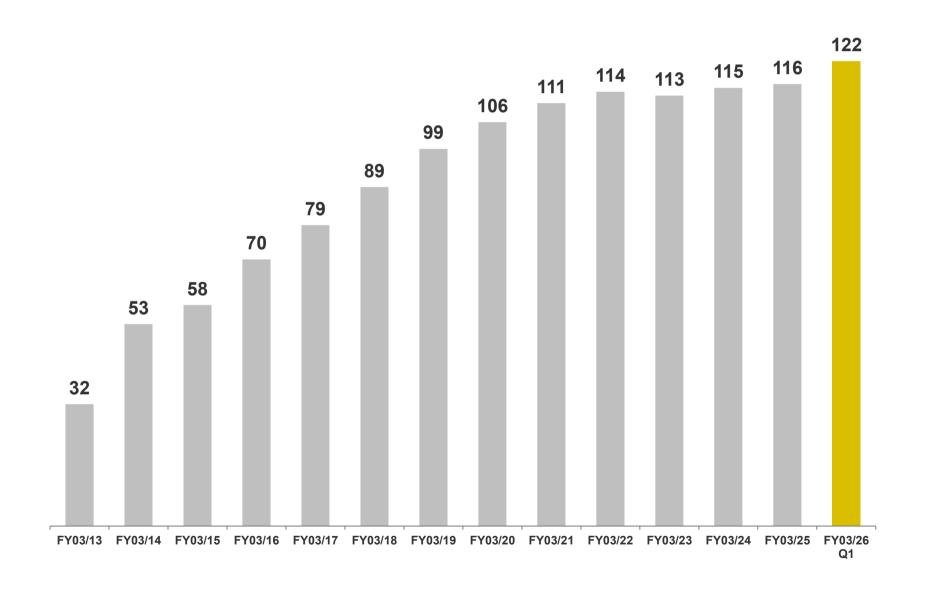

Trend in number of classrooms

Opening period

Openings are planned to coincide with periods of high demand for student enrollment, namely Q1 (summer courses) and Q4 (preparation for higher education and grade advancement).

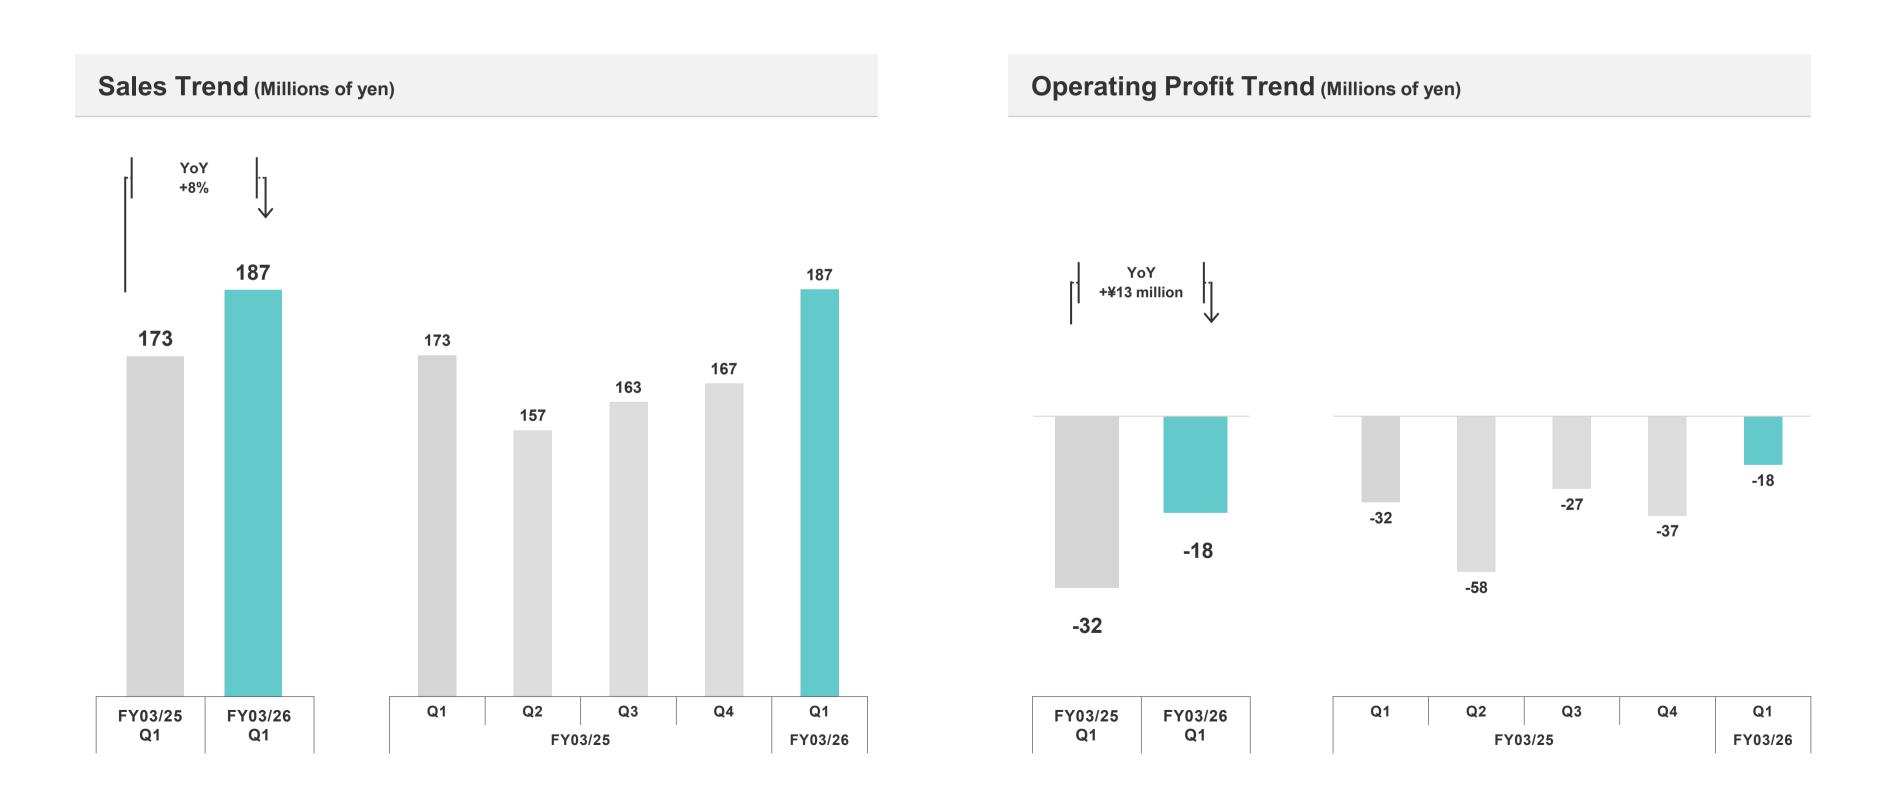

Opening area

In addition to existing areas in Tohoku/North Kanto and Chugoku/Shikoku, expanding openings by targeting areas outside major metropolitan zones.

# **Personnel Matching**

Sales increased and operating losses narrowed YoY due to expansion of the personnel referral business and designer-focused matching business.

#### Personnel Matching Business (UNITED Recruitment Inc.): Business Status

In line with our policy, we are promoting operational efficiency through the use of Al.

Policy

Delivers cost-effective recruitment outcomes by combining know-how from RPO and personnel placement services with Al-driven operational efficiency

**Business progress** 

Business alliance with Forward Inc.

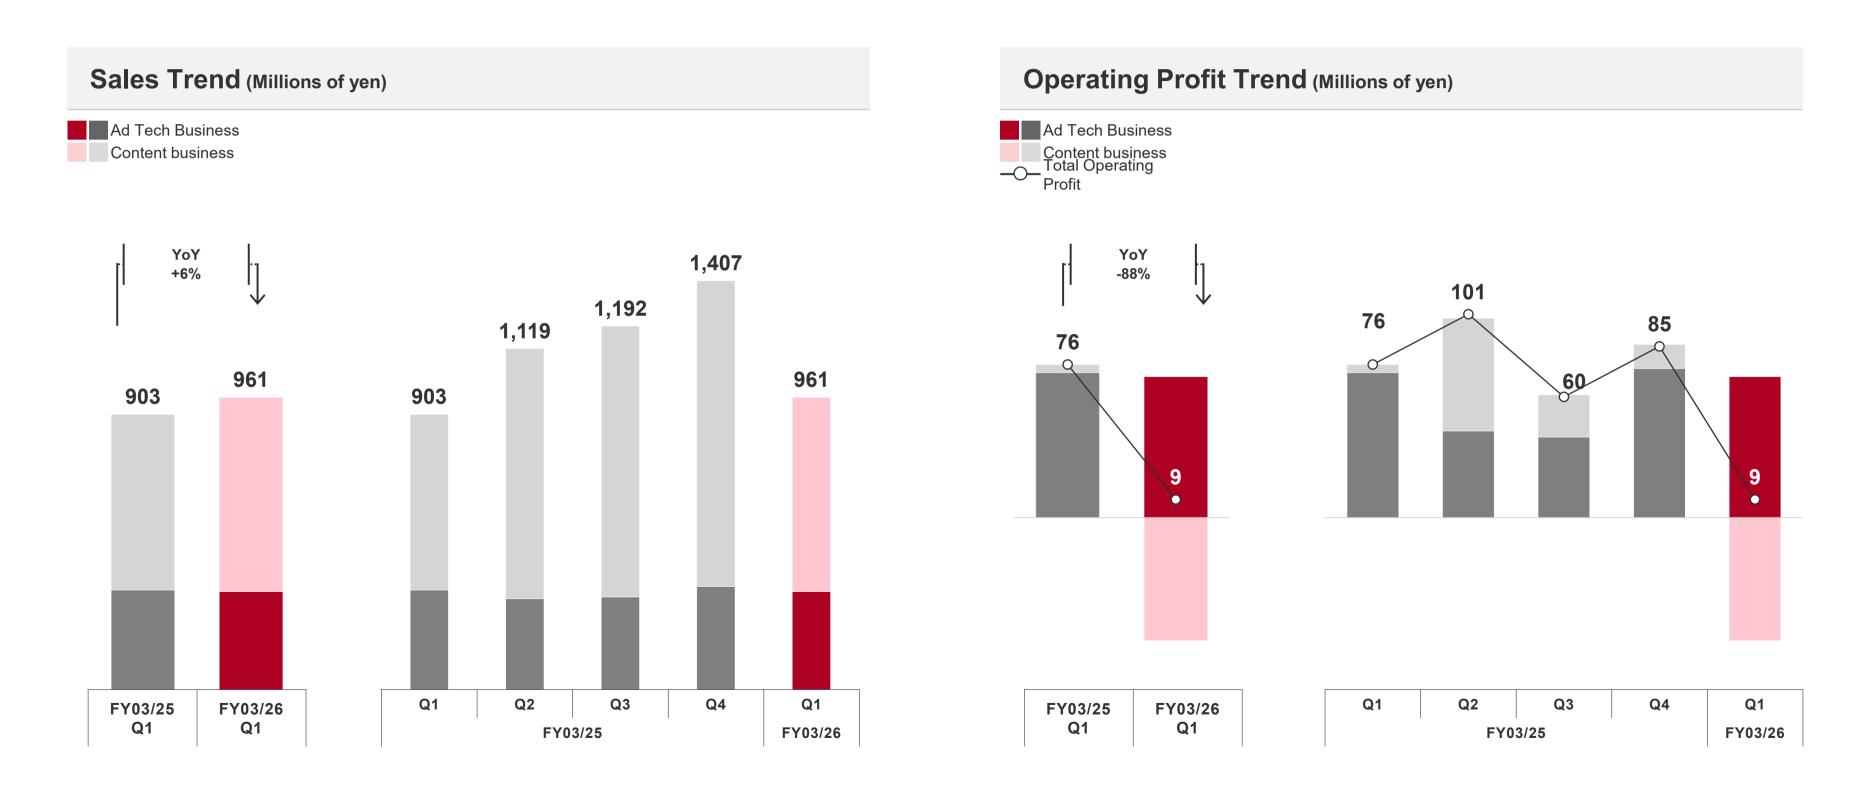

To improve the efficiency and optimization of the recruitment process, we have formed a business alliance with Forward Inc., which develops the Alpowered recruitment efficiency SaaS 'AceJob'.

Service Renewal In collaboration with Forward Inc., we have renewed our scout sending tool 'offerBrain'.
Utilizing Al to streamline the scout sending process.

# Ad Tech/Content

Sales increased YoY for the quarter, driven by the expansion of Fogg, inc.'s online lottery 'RAFFLE'.

Operating profit decreased YoY for the quarter due to an increase in personnel at Fogg, inc. as an upfront investment.

#### Sales and Earnings (FY03/13–FY03/26)

<sup>\*</sup>We adopted the Accounting Standard for Revenue Recognition (ASBJ Statement No. 29) and the ASBJ Guidance No. 30 (Implementation Guidance on Accounting Standard for Revenue Recognition) from FY21. In this document, we applied this standard to the past earnings of the Ad Technology business in order to make the comparison easier.

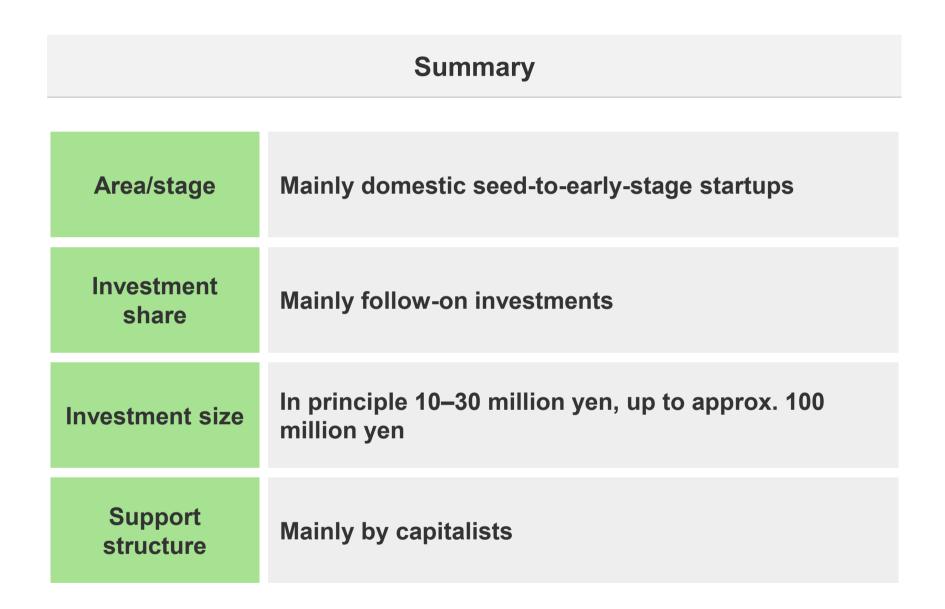

#### Number of Consolidated Employees and Directors

<sup>\*</sup>Number of Education full-time and temporary employees increased due to consolidation of Bestco Co., Ltd.

Use sourcing and appraisal capabilities fostered in tech investments as a base and harness support capabilities acquired from experience as business corporation to expand impact investments, which offer great potential.

Invested own funds mainly in domestic seed-to-early-stage startups.

Education Business: Strategy for Bestco Co., Ltd.

In regions where the supply of tutoring schools falls short of demand, Bestco provide high-quality services at low prices through directly operated schools.

Bestco Co., Ltd. can offer high-quality services at low prices by operating all classrooms under direct management.

#### **Direct management of all classrooms**

# Provides same quality of education services at all classrooms

- Direct classroom management ensures consistent implementation of instructional manuals and operational procedures
- Utilization of digital teaching materials, instructional videos, and a learning management system

# Provides services at low prices through low-cost operation

- Instead of opening near stations with heavy competition, classrooms are located in suburban areas that offer lower rent and are easier for students to access
- The self-directed learning<sup>\*1</sup> allows one instructor to supervise three students simultaneously<sup>\*2</sup>

# Company culture embedded across the organization

- Communicates corporate culture to all employees and tutors from the hiring stage
- Conducts regular workshops with participation from all employees

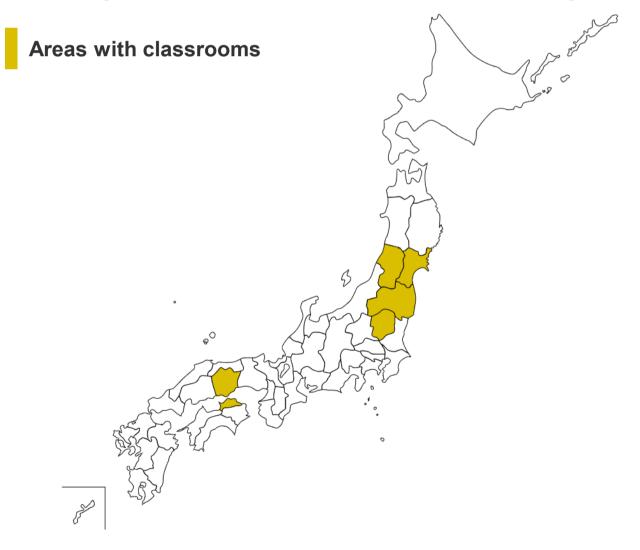

<sup>\*1</sup> A learning style that combines individualized instruction with guidance aimed at helping students develop the attitude and habits necessary to study independently.

<sup>\*2</sup> Varies between classrooms

#### Accelerating business growth via classroom expansion and online learning enhancement

#### Accelerate opening of new classrooms

- In addition to the Tohoku region, Bestco now operates classrooms stably in the Chugoku and Shikoku areas
- Targeting areas outside major metropolitan zones for new classroom openings, with substantial whitespace remaining on the map

#### **Strengthen online learning**

Increase the number of students by reaching those who have difficulty attending classes in person

Online
x
Offline
(classrooms)

Enabling attendance for students who have difficulty commuting to cram school multiple times a week Also supports increasing the number of students per classroom

Fully online

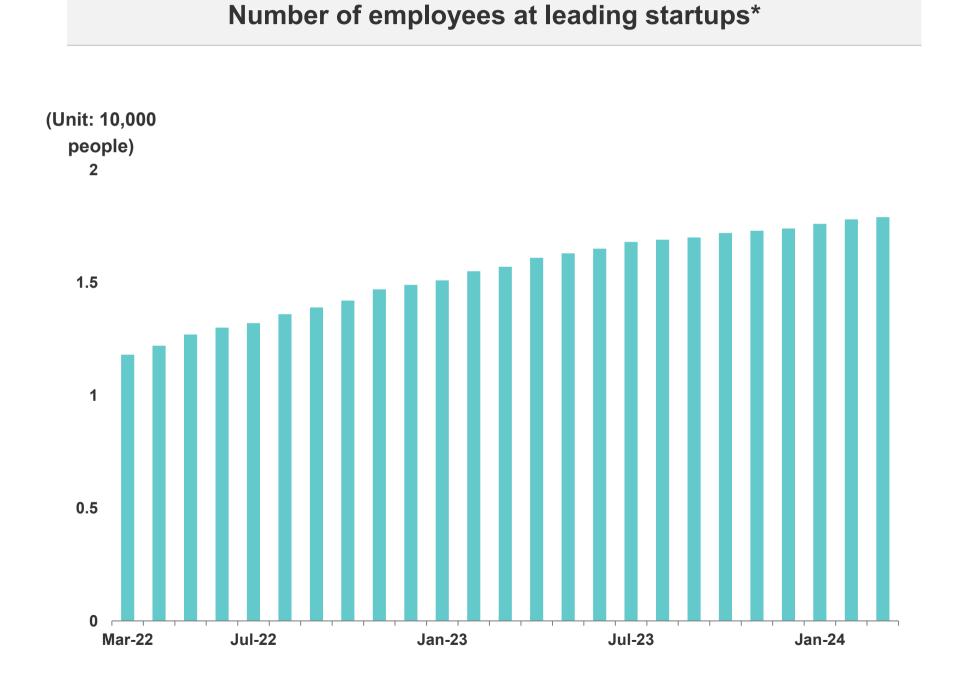

Students unable to attend in person due to transport infrastructure issues can attend fully online.
